The attendees at our conference!

- If you find INPTRA & our meeting valuable, please share with your regulatory colleagues
- Tell us if there is anything we can do to better serve you and the regulatory community

THE INPTRA STRATEGIC PLAN

INPTRA Strategic Plan

- Board met in May 2016 to begin Strategic planning process
- Completed At the end of the year
- Covers 4 years: 2017-2021

Revised Mission

The International Network of Physiotherapy Regulators is an independent organization made up of physiotherapy regulators and other interested stakeholders whose purpose is to promote excellence in physiotherapy regulation.

Mission

- The mission of INPTRA is to promote and contribute to the continuous development of leading regulatory practice through education, information sharing and other collaborative activities with key stakeholders worldwide.

Vision Statement

- To be recognised as the leading international authority on excellence in physiotherapy regulation, ensuring safe and competent practice.

Goals

- Continuously develop our range of services and resources to meet the evolving needs of our stakeholders.
- Provide the INPTRA community with enhanced opportunities for engagement, participation and collaboration in promoting leading standards and regulatory principles.
- Work collaboratively worldwide to build a research network that builds the evidence-base for regulatory effectiveness.
- Develop our leadership capacity in support of the mission and the vision.

INPTRA/WCPT MOU

International Network of Physiotherapy Regulatory
Authorities and The World Confederation of physical Therapy
Memorandum of Understanding

- INPTRA and WCPT recognise that:
 - the evolution of physical therapy is dependent on having appropriate levels of professional regulation
 - advancements of the profession should always be balanced against protection of the public.
 - Greater understanding of best practice regulation will support the development of the physical therapy profession internationally
 - The physical therapy profession works in a globalized world and facilitating greater workforce mobility is key to delivery better health outcomes

Principles

INPTRA and WCPT

- Recognize the independence of their respective organizations to develop and advocate policies relevant to their membership
- Support greater communication between the leadership of each organization
- Will diligently proceed in good faith and make reasonable efforts and cooperate with each other , to achieve the activities set out in this document.

Agreements

Information exchange

- The WCPT and INPTRA agree to share information in a timely manner on matters of mutual interest
- To support this exchange,
 - The CEO and Chair of each organisations will meet via teleconference twice a year
 - The Board of the respective organisations will aim to meet every two years.

Activities

- INPTRA agrees to lead efforts to develop and disseminate a “white paper” relating to the global practice and regulation of providing telehealth physical therapy rehabilitation services.
- WCPT agrees to include the INPTRA perspective in work being developed on the physical therapy assistant's workforce and advance physical therapy practice.
