I am pleased to invite you to participate in INPTRA's 2017 Conference: *Innovations in Physiotherapy Regulation around the Globe* in Cape Town, South Africa from June 30- July 1, 2017. Full details of the conference program can be found on our website at <http://www.inptra.org/Events/INPTRA2017.aspx>.

The mission of INPTRA is to promote and contribute to the continuous development of leading regulatory practice through education, information sharing and other collaborative activities with key stakeholders worldwide. In fulfilling its mission, INPTRA develops and provides regulatory resources and hosts a biennial conference. This in-person meeting provides opportunities for networking, information sharing and education in the latest regulatory innovations.

The conference program focuses on innovations in regulation and the data that supports them. The conference affords attendees the opportunity to hear about current regulatory experiences from other countries as well as share information about their own.

You will hear the latest information on physiotherapy regulation to bring back to your colleagues. You will also have the opportunity to share challenges, issues and successes you are experiencing in regulation and receive input from fellow attendees and presenters. By attending INPTRA 2017, you will impact the future of regulation around the globe.

INPTRA 2017 is showing signs of being the most successful INPTRA to-date, with increased attendance and greater depth and breadth in programming. We expect attendees will represent approximately ten countries. You may use this letter as a formal letter of invitation should you need information to obtain a visa or other document(s) in order to attend the conference.

You will be responsible for the payment of all fees and expenses related to your participation at INPTRA 2017, including but not limited to hotel and travel costs and health and travel insurance.

If you have questions or need assistance about registration, please contact the INPTRA Secretariat via email at info@inptra.org.
