

International Network of Physiotherapy Regulatory Authorities

## Scholarships Available to Attend the 2019 INPTRA Conference: *Regulatory Effectiveness through Evidence and Innovation* in Geneva, Switzerland

---

The International Network of Physiotherapy Regulatory Authorities (INPTRA) will award two (2) scholarships to attend its meeting, 2019 INPTRA Conference: *Regulatory Effectiveness through Evidence and Innovation*, in Geneva May 8-9, 2019 prior to the WCPT Congress 2019. The meeting will be conducted in English.

These scholarships of up to \$2,500 (US dollars) are designed to partially offset the cost of transportation, hotel, meals and other travel-related costs for attending the meeting. Additionally, the 2019 INPTRA Conference registration fee will be waived.

Topics to be covered at the 2019 INPTRA Conference include:

- Board Governance and Effectiveness
- Regulatory Research
- Regulatory Innovations and Issues
- Digital Practice and Regulation
- Mobility Workforce
- Special Breakout sessions
  - Regulation: How to get started or further develop
  - Deep dive for experienced regulators
  - Accreditation and education

Scholarship awardees will be able to meet and network with physiotherapy regulators from around the world.

---

### You are eligible to apply for this scholarship if:

- You are a physiotherapy regulator from countries in Categories 1-3 listed under “DUES CATEGORIES” at <http://www.inptra.org/INPTRAMembership/Dues.aspx>, or
- You are an individual from a country\* that does not currently regulate physiotherapy but is considering physiotherapy regulation.

*\*These must also be Category 1-3 countries listed under “DUES CATEGORIES” at <http://www.inptra.org/INPTRAMembership/Dues.aspx>*

---

### To apply:

Complete the application and email it as an attachment to [info@inptra.org](mailto:info@inptra.org) by **23:59 GMT on November 30, 2018**.

**If you are awarded a scholarship**, the INPTRA Board of Directors invites you to submit a written report after the conference on the three topics below. This information will be used to evaluate the benefit of the scholarship program.

- The value of the scholarship
- The value of the meeting information
- How the information gained can be used to enhance public protection in your country
