<p>Standards of Practice</p>	<p>In Canada, Physiotherapy is regulated by the individual provinces and territories. In the province of Ontario, the College of Physiotherapists of Ontario compiles, documents and formally approves the Standards of Practice. There are 12 written Standards of Professional Practice and a Code of Ethics for Ontario Physiotherapists.</p> <p>Some written Standards are accompanied by a guide that assists with understanding the Standard.</p>	<p>Standards for Professional Practice Introduction: Standards for Practice for Physiotherapists: http://collegept.org/Assets/website/registrants'guideenglish/standards_framework/standards_practice_guides/ST_Intro_Practice_for_Physiotherapists_120814.pdf</p> <p>Advertising: http://www.collegept.org/Assets/website/registrants'guideenglish/standards_framework/standards_practice_guides/StandardAdvertising.pdf</p> <p>Fees & Billing: http://www.collegept.org/Assets/website/registrants'guideenglish/standards_framework/standards_practice_guides/StandardFeesBilling.pdf</p> <p>Conflict of Interest: http://www.collegept.org/Assets/website/registrants'guideenglish/standards_framework/standards_practice_guides/StandardConflictofInterest.pdf</p> <p>Guide to Advertising, Fees & Billing and Conflict of Interest: http://collegept.org/Assets/website/registrants'guideenglish/standards_framework/standards_practice_guides/GuideToAdvertisingFeesBillingConflictOfInterest.pdf</p> <p>Concurrent Treatment of a Patient by a Physiotherapist and Another Health Care Practitioner: http://www.collegept.org/Assets/website/registrants'guideenglish/standards_framework/standards_</p>	<p>The College of Physiotherapists of Ontario: http://www.collegept.org/Home</p>
