

International Network of Physiotherapy Regulatory Authorities
Facilitating international cooperation and collaboration

ANNUAL REPORT 2017

The International Network of Physiotherapy Regulators is an independent organization made up of physiotherapy regulators and other interested stakeholders whose purpose is to promote excellence in physiotherapy regulation.

Mission

The mission of INPTRA is to promote and contribute to the continuous development of leading regulatory practice through education, information sharing and other collaborative activities with key stakeholders worldwide.

Vision

To be recognised as the leading international authority on excellence in physiotherapy regulation, ensuring safe and competent practice.

Quotes:

It's a power-packed conference!

All the sessions were effective and useful.

I loved the way the groups change. I had a chance to interact with all. I personally interacted with 22 speakers. Wow!!

Membership has its benefits!

11 Member Organizations
from 7 Countries

15 Individual Members
