

ANNUAL REPORT 2018

The International Network of Physiotherapy Regulators is an independent organization made up of physiotherapy regulators and other interested stakeholders whose purpose is to promote excellence in physiotherapy regulation.

Mission

The mission of INPTRA is to promote and contribute to the continuous development of leading regulatory practice through education, information sharing and other collaborative activities with key stakeholders worldwide.

Vision

To be recognized as the leading international authority on excellence in physiotherapy regulation, ensuring safe and competent practice.

Webinars

Accreditation Around the Globe – What do we mean by accreditation and is it similar or different around the world? - Zola Dantile, Kathy Davidson, Leanne Percy, Benjamin Soon, and Emma Stokes

Accreditation and Global Mobility – What can we learn from physiotherapy and other professions about accreditation, regulation, and global mobility? – Sandra Wise, Uriel Pierre, and Margot Skinner

Regulation of Assistive Personnel Around the Globe – What can we learn about the role that support personnel play in the physiotherapy field around the world and what are the pros and cons of regulation? – Sandra Lamb and Nathalie Yerak
